

Al-Ghurair Printing and Publishing's

Policy is to ensure sustainable Food Safety and Quality performances through the implementation and effective management system in line with international protocol for Food Safety Management System HACCP and Good Manufacturing Practices (GMP)

VISION

- To be one of the pioneers in manufacturing of **In-mold labels, Kraft paper bags and other packaging products.**

MISSION

- Develop and strive to continually improve to produce safe, legal, authentic products and believes that the responsibility for food safety and achieving its quality commitments lies with each employee and increase awareness to drive increasing levels of excellence.
- To be a responsive institution committed in building win-win situation for customers and external service providers to develop strong relationships.

AGPP management is committed to:

- Establish Policy, necessary documentation of HACCP and validate the effectiveness for continual improvement by auditing the processes with trained staff at regular intervals.
- Comply with local government, International regulations and any specific by customer.
- Facilitates the resources and continually enhance the infrastructure, train and develop the skills to comply, ensure all the suppliers and contractors embrace the same food safety and quality commitments and inspects the incoming materials.
- Provide our personnel with adequate food safety information, training, instructions, tools and equipment to carry out their job in a hygienic and professional manner.
- This HACCP policy shall be communicated to all employees and displayed.
